Amendments to the Trustee's Rules & Regulations for the Management and Products of the Waters of the Town of Southampton

Article V. General Provisions

Section 8. Trustee Docks, Basins

F. The following rules shall apply to the use of:

- 1) Eastport Dock & Basin, Bay Avenue, Eastport**
- 2) Baycrest Avenue Dock & Canal, Baycrest Ave., Westhampton Beach**
- 3) Old Fort Pond Dock, Little Neck Road, Shinnecock Hills**
- 4) Speonk Shore Boat Basin, Shore Road, Remsenburg**

1. Every vessel, motorized or not, moored, anchored or tied up at these facilities must be currently registered with the New York State Department of Motor Vehicles to a Southampton Town Resident, Freeholder or Taxpayer. Said Resident, Freeholder or Taxpayer must be the principal operator of said vessel. Every vessel must properly display the assigned New York State registration number and current New York State validation sticker.

2) No vessel shall be offered for sale at any of these facilities at any time.

3) Overnighting, defined as the occupancy or use of, or remaining aboard any vessel for more than one-half of the time period between sunset and sunrise in any twenty-four hour period, aboard any vessel moored, anchored or tied up at any of these facilities is strictly prohibited. Sleeping aboard any vessel is strictly prohibited at any time.

4) Parties, barbecues, fires or the consumption of alcoholic beverages on board any vessel while it is moored, anchored or tied up at any of these facilities is strictly prohibited.

5) No vessel in excess of twenty-six feet overall length shall be moored anchored or tied up at any of these facilities.

6) Every vessel moored, anchored or tied up at any of these facilities shall be assigned a slip or location by lottery to be held at the first Trustee meeting in March of each year. In the event that more applications are received by the Trustees for a given facility than allotable space, then the Trustees shall establish a waiting list by lottery at the same meeting.

7) Slip/location rentals shall be from **April 1st through November 30th** of each calendar year at a per-foot rate established by the Trustees. There shall be no fee imposed for vessels moored, anchored or tied up at any of these facilities between December 1st and March 31st of the two successive calendar years.

8) Sub-leasing of slips/locations is strictly prohibited. Any person who ceases to use his or her assigned slip/location shall notify the Trustees who will then lease the slip/location to the next eligible owner on the established waiting list if one exists for the facility in questions. There shall be no refund to the original lessee, however any vessel owner assigned a slip/location from an established waiting list shall be permitted to pay a pro-rated fee as determined by the Trustees. Slip/location assignments are valid only for the vessel indicated on the Trustee application.

Owners may exchange vessels during the course of a season only after notification to and approval from the Trustees.

9) During the period from **April 1st through November 30th** the owner of every vessel moored, anchored or tied up at any of these facilities must have received a permit from the Trustees and prominently display the sticker issued by the Trustees aft of (behind) the New York State registration numbers on the left side of the vessel's hull. Said sticker shall be issued by the Trustees upon receiving full payment for slip/location rentals.

10) In the case of the Eastport Dock and Basin seasonal (April through November) slips/locations will only be available after the tie-off poles have solidly set at determined by the Bay Constable each spring. The Trustees will make every attempt to have these tie-off poles in place prior to April 1st of each year. The Bay Constable may order the owner or person in charge of any vessel or other floating device moored, anchored or tied up during the off-season (December through March) to remove same at any time prior to March 31st to allow Trustee personnel space and time to install seasonal tie-off poles. The owner or person in charge of said vessel or other floating device shall be allowed no more than three days from the time of said order to comply with same.

11) No floating docks, duck blinds, eel cars, bait cars or unregistered floating devices shall be moored, anchored or tied up at any of these facilities at any time between April 1st and November 30th of each calendar year.

12) Any vessel or other floating device moored, anchored or tied up at any of the aforementioned facilities at any time of the year shall be maintained in a seaworthy manner as determined by the Senior Bay Constable. It shall be the responsibility of every vessel owner or person in charge of any vessel to prevent the accumulation of water in same and to make every reasonable attempt to prevent the possibility of sinking.

13) Any vessel or other item found in contradiction of any of the preceding paragraphs 1 through 12 may be removed by or at the direction of the Trustees or any duly authorized officer or agent thereof or member of the Town Police or Bay Constable of the Town. Impound fees as described in 111-15B of the Code of the Town of Southampton shall be imposed for all vessels. An impound fee not to exceed \$100 shall be imposed on any non-vessel items.

14) The Trustees reserve the right to waive the requirements of paragraph 5) above in those cases where an applicant for a slip/location at any of these facilities can demonstrate that his or her vessel had been moored, anchored or tied up at that facility prior to January 1, 1997.

15) Each Freeholder, taxpayer or resident shall be limited to submitting only one application for only one vessel registered to them. Multiple applications for the same vessel under different names, or any other willful attempt to manipulate this lottery will result in disqualification and forfeiture of entry into the lottery for a period of five (5) years.
